216  
(Male: 202, Female: 14)

## Shelter Service of PNCC

A total of 27 returnees received the service (either accommodation or transportation fare).

## Governmental initiative for rescue & repatriation

Nepal decided to join India's 'air bubble' scheme to repatriate Nepalis from India. As India has still restricted regular international passenger flights, "air bubbles" or "travel corridors" are systems established between two countries that perceive each other to be safe and allow carriers of both the countries to fly passengers either way without any restrictions.
